VOICE 4: But in the end he was a dick

ALL: Rummy, Rummy, Rummy  
Always glummy  
When Bin Laden wins  
Rummy, Rummy, Rummy  
Only sunny  
Killing civilians  
Aha, aha-aa  
He's a threat to our health  
If he had an ounce of respect  
He would kill himself

ALL: Rummy, Rummy, Rummy  
Such a dummy  
He believed in Bush  
Rummy, Rummy, Rummy  
Wants his mummy  
Now he's got the push  
Aha, aha-aa  
Up on Capitol Hill
