

HYPHENATE RE-WRITE FLOWCHART

Read the script. Is it any good?

Yeah, it's great

No, it's mediocre. Or shit.
Edging towards shit, to be honest

Why does it need a re-write?

The separate producer or director thinks it's shit because he's an idiot

The hyphenate wants a polish to make sure it's the best it can be

Who asked for the re-write?

The hyphenate, he knows he can't fix it

The separate producer or director against the hyphenate's will, because the hyphenate genuinely believes he's a genius

Do you like the hyphenate?

Yeah, he seems like a nice bloke

No, he's an egotistical twat

Decline, politely. There are too many politics going on here

Take the job

RUN! RUN FOR THE FUCKING HILLS! DON'T STOP, DON'T LOOK BACK, JUST FUCKING RUN!
